

# Sunflower Dance Festival

## **NEW “Land of Oz Team Match”** **After Friday Night Pizza Party - July 7, 2017**

We hope you join us for this new event on Friday night. Your local dancers will truly have a blast and be **bursting** with team spirit for your studio and/or local group. As you put your team together, we encourage all dance levels to share in the fun! Team matches are a great way for new students or couples in your dance community to get involved and allow them to get their feet wet at competition in a fun way. Each partnership combination can represent the team in up to two (2) dances, so guys can dance with more than one gal if you have uneven numbers. Your team will compete in the 10 dances listed below, in 90 second consecutive heats – pick the best partnership to represent your team in each dance! This year’s theme will be “decades of dance”, so coordinate your team members to wear your favorite decade, 60’s, 70’s, etc. whatever is in your closet. Bell bottoms or tie die anyone? So, spread the word in your studio or local dance community ... plan on taking part in the **Land of Oz Team Match** Friday night and you could be taking home the coveted “Land of Oz Mirror Ball” team trophy!

Triple Two-Step
